

XVII International AIDS Conference

Mexico City | August 3 – 8, 2008

((ONLINE COVERAGE)) provided by kaisernetwork.org

Online Coverage of the XVII International AIDS Conference

In partnership with the International AIDS Society, kaisernetwork.org is pleased to be the official webcaster of the XVII International AIDS Conference (AIDS 2008), providing you with access to the daily developments that take place at the conference in Mexico City, August 3-8.

[Kaisernetwork.org](http://kaisernetwork.org) will publish a free Daily Update email, sent during the week-long conference, which will include a summary of and access to each day's online coverage. You can sign up to receive the email at www.kaisernetwork.org/aids2008.

Kaisernetwork.org's Extensive Coverage of AIDS 2008 will include:

- Live and tape-delayed webcasts and transcripts of each day's sessions, including the opening and closing sessions, all plenary sessions, and selected other sessions and press conferences;
- English- and Spanish-language audio podcasts of select sessions;
- Slide presentations from select conference sessions;
- Daily narrated video highlights of conference developments;
- Extended news coverage in the *Kaiser Daily HIV/AIDS Report*, including summaries of coverage from international news sources and newly-released studies; and
- Interviews with newsmakers and journalists to summarize conference developments.

[Kaisernetwork.org](http://kaisernetwork.org) provided special coverage of previous International AIDS conferences, most recently in August, 2006 (www.kaisernetwork.org/aids2006).

Partner with Kaisernetwork.org to Share the Coverage

If your organization is interested in making the conference coverage available to its constituency, please visit www.kaisernetwork.org/aids2008/syndication.cfm for more information about our free syndication and content-sharing options including an online widget that can be easily added to your Web Site, blog or social networking page.
