Wednesday, 18 March 2015, 13:00 – 17:00 CET
Geneva, Switzerland
CIPHER Supplement in JIAS

HIV and adolescents: focus on young key populations

Guest Editors: Linda-Gail Bekker and Sybil Hosek

Available online

Volume 18, Supplement 1
February 2015

HIV and adolescents: focus on young key populations

Guest Editors: Linda-Gail Bekker and Sybil Hosek

Editorial: Building our youth for the future
Linda-Gail Bekker and Sybil Hosek

Tailored combination prevention packages and PrEP for young key populations
Achhey Petitter, Nicole F. Nguyen, Connie Colvin, Frances Cowan, Kevin Go and Lisa Highlow-Wade

HIV testing and linkage to services for youth
Ann E. Kurth, Michelle A. Lal, Augustine P. Chola, Yohie W. Inwani and J Dennis Forrest

Linked services for young key populations: needs, barriers and gaps
Snead Delany-Morette, Frances M. Cowan, Joanna Busco, Coralin Balotin Moore, Karen Kelley and Lee Fortie

Review: An urgent need for research on factors impacting adherence to and retention in care among HIV-positive youth and adolescents from key populations
Phra Lot, Linn S How, Norlindo Kohrudum and Adeeba Kamarwalla

Mental health and support among young key populations: an ecological approach to understanding and intervention
Matsho Matumbi and Gary W Harper

Adolescent girls and young women: key populations for HIV epidemic control
Rachel C. Defor, Sarah Dlamini and Quamarisha A. Khum

“We don’t need services. We have no problems”: exploring the experiences of young people who inject drugs in accessing harm reduction services
Anto Krug, Mike C Wildbore and Nels San

“First, do no harm”: legal guidelines for health programmes affecting adolescents ages 10–17 who sell sex or inject drugs
Brandon Connor

Young key populations and HIV: a special emphasis and consideration in the new WHO Consolidated Guidelines on HIV Prevention, Diagnosis, Treatment and Care for Key Populations
Rachel Buggles, Ada Armstrong, Ziac Diod, Ed Ntekwana and Anto Krug

Support
The publication of this special issue was supported by the Collaborative Initiative for Paediatric HIV Education and Research (CIPHER), which is funded through an unrestricted grant from ViV Healthcare’s Paediatric Innovation Seed Fund.
