

 **AIDS 2024**

The 25th International AIDS Conference

Munich harm reduction and medical services guide

Harm reduction and medical services will be available during AIDS 2024, the 25th International AIDS Conference, which takes place in Munich, Germany, from 22 July to 26 July 2024.

In collaboration with local harm reduction service facilities and medical professionals in Munich, IAS – the International AIDS Society – will ensure that these services are available to all in-person delegates throughout the conference.

While in Munich, the IAS is required to follow rules and guidelines for the provision of harm reduction services as determined by local public health services.

Harm reduction and medical services at AIDS 2024

The following services are available at the Messe München: the Trade Fair Center Messe München and the ICM – International Congress Center Messe München.

Medical staff will be available from **20 - 26 July** at the following locations during conference hours:

- Nurse (medical assistance) in the first aid station located at the Entrance West. If medical assistance is required, the first aid station can be contacted on +49 89 949 28103
- If medical assistance is required within the Global Village, please contact first aid station at Entrance West
- All medical service guards and emergency vehicles are equipped with automatic external defibrillators (AED).

Safe waste disposal (sharp boxes) will be available in the following locations:

- First Aid station (Entrance West)

Safer use drug paraphernalia and counselling will be available in the following locations:

- Munich Department of Health booth, Global Village booth “Drug and STI Counselling and Prevention by the Health Department of the City of Munich”.

Venue information

In this guide, you will find information and guidance on:

- Community organizations in Munich (information and services for HIV and STBBI prevention)
- Access to health services (hospitals) in Munich
- Access to HIV, STI testing and treatment clinics
- Access to harm reduction services in Munich
- Information about the use of drugs while in Munich (including drug and safety policies)

This guide includes advice from harm reduction experts.

In the case of an emergency, call 112.

For medical enquiries, dial 116 117 to reach the local on-call medical unit. The unit will provide guidance on the necessary steps to take and whether it involves a doctor's visit or other medical assistance.

Community organizations in Munich

The following organizations provide information and services for HIV and sexually transmitted and blood-borne infections (STBBI) prevention and support to local communities:

- [Munich Positives](#) is a network of people living with HIV and their friends who actively advocate for the interests of people living with HIV.
- [Munich Aidshilfe](#) is a regional aid organization that offers a wide range of services to key populations.
- [Les Community e.V.](#), or LeTRa, provides counselling services to lesbian and bisexual girls and women (trans*cis*inter*nb), as well as refugees.
- [Subonline](#) offers counselling, information and networking opportunities to LGBTIQ* people
- [Trans*Inter*Beratungsstelle](#) (Trans*Inter*Counselling Center) provides counselling to trans*and inter* people, their friends, family and social workers.
- [Bayerische AIDS Stiftung](#), the Bavarian AIDS Foundation, provides HIV and AIDS counselling to adolescents.

Health services in Munich

Find emergency departments and medical doctors at the locations listed below.

Please take identification and proof of medical insurance with you, if possible, when going to an emergency department or hospital. As a traveller, it is your responsibility to take out adequate healthcare coverage before your trip.

Please note, if you are not insured with the German public healthcare system or do not hold a current European Health Insurance Card (EHIC), you will be billed for the cost of treatment.

Information about the use of drugs while in Munich

Naloxone in Munich

Germany does not provide free naloxone. You can obtain it only in pharmacies if you have a prescription.

Drug checking

In Munich, it is not possible to check drugs for their chemical content. Please be aware that this increases the chances that drug consumption could be dangerous.

Substitution

If you need substitution for a drug while in Munich, please contact your doctor in your home country. You need written approval to carry this substitution with you. You can also contact the following institution before you travel to Munich for further assistance:

Landeshauptstadt München
Gesundheitsreferat
Clearingstelle/ Suchtberatung
Paul-Heyse-Straße 20
80336 München
Phone: 0049 (0)89-233-47211
Email: suchtberatung.gsr@muenchen.de

Opening hours:

Monday, Tuesday, Thursday Friday 09.00-12.00
Tuesday, Thursday 15.00-17.00

Bavaria has a strict drug policy. There are no licit ways of consumption at all!
