Guide to Creating an ImmiAccount (for Individuals)

Creating an **ImmiAccount** allows you to apply for a visa and/or citizenship, attach documents to your application, track your application's progress, and manage certain details online.

To create an individual ImmiAccount go to: <https://online.immi.gov.au/lusc/register>

The **Create Account – Step 1 of 2** page displays:

The screenshot shows the 'Create an ImmiAccount - Step 1 of 2' page. At the top left is the Australian Government Department of Home Affairs logo. At the top right is the 'ImmiAccount' logo. The page title is 'Create an ImmiAccount - Step 1 of 2'. Below the title is the section 'Services Required' with the instruction 'Fields marked * must be completed.' The question 'What type of online services do you need?' has two radio button options: 'Individual' (selected) and 'Organisation (including agents)'. Below this, 'Select the online services you need' includes 'Apply for a visa or citizenship (including sponsorship and nomination) Included in all Individual ImmiAccounts' (checked) and 'LEGENDcom (requires the purchase/join of an annual subscription)' (unchecked). The 'New User Details' section contains input fields for 'Family name', 'Given names', 'Phone', and 'Mobile phone', each with a red asterisk and 'required' label. Below these is a note: 'Specify an email address to be used for account notifications - such as password resets. This should be an address where only you read the emails rather than a group email address.' This is followed by 'Email address' and 'Confirm email address' fields, both with red asterisks and 'required' labels. At the bottom left is a 'Cancel' button and at the bottom right is a yellow 'Continue' button.

1. Select 'Individual' next to the question "What type of services do you need?"
2. Enter all your relevant information under "New User Details"
3. Click Continue
